General resources

- Member-only eNewsletter to keep members strategically engaged
- Faces & Voices publications, DVDs, buttons and materials discounts and access to "branding" opportunities
- Free and discounted access to materials, tools and training for mission-driven campaigns like Recovery Voices Count and Rally for Recovery!
- Front line information on issues in Washington, D.C. through Advocacy Action Alerts on critical public policy and funding issues affecting recovery community organizations and their constituents
- Strategic and expert consultation on public education and advocacy campaigns

Organizational capacity and sustainability building

- Online and in-person access, connections, and networking with the Executive Directors, staff, boards and members of recovery community organizations across the country
- Development of new revenue streams from private and public sources for recovery community organizations

Technical Assistance and Training

- Individualized technical assistance through BRSS TACS referrals
- Faces & Voices teleconferences
- Faces & Voices trainings; unlimited participant discounts
- Media referrals and training

Heightened national audience/profile for organizations

- Prominent listing in the ARCO eNewsletter and on the Faces & Voices web site (which receives over 29,000 unique visitors per month)
- **Use of the Association of Recovery Community Organizations at Faces & Voices of Recovery name and logo, according to use policies that all members must accept**

Members will be able to access many of these benefits through a password-protected dedicated website in development for ARCO members.

In addition, a **closed Facebook page** provides a forum for intra- organizational discussion and technical assistance limited to Executive Directors or designated senior staff-members.

Member feedback will inform future benefits on an ongoing basis, making ARCO membership a must for RCOs that want to participate in building the organized recovery movement.
