FEDERAL POLICY

1. **Enact and Fund CARA 2.0**
   Authorizes $765 million in dedicated resources to evidence-based programs

2. **Enact and Fund Family Support Services for Addiction Act**
   Establishes a grant program for nonprofit family community organizations that provide support for families

3. **Enact and Fund Honoring Recovery Month Act**
   Authorizes $1 million annually for SAMHSA to convene Recovery Month. If SAMHSA declines, they may enter into an agreement with a national organization to use those funds for Recovery Month activities

4. **Enact legislation that requires Black, Indigenous, and People of Color Set-Aside for recovery**
   Ensure all behavioral health federal funding dedicates 20% set-aside for recovery support service providers led by or serving Black, Indigenous, and People of Color

5. **Enact legislation securing telehealth funding and eligibility for peer recovery support services**
   Ensure all recovery support services receive equal-to in-person reimbursement for audio-only and video telehealth services indefinitely

ADVOCACY

1. **Expand community-based recovery support services**
   Through recovery community organizations, recovery housing, high school and collegiate recovery programs, and alternative peer groups

2. **Support and protect individuals’ right to treatment and recovery support services**
   From self-determined selection of care to nondiscriminatory practices, promote access to evidence-informed services across the first five-years of recovery

3. **Elevate the role of harm reduction and low-threshold barriers for recovery**
   Through safe consumption sites, fentanyl test strips, and evidence-informed, low-threshold treatment options

4. **Reject harmful practices for justice-involved individuals**
   Especially those disproportionally impacting Black, Indigenous, and People of Color
