

2025 CORPORATE SPONSORSHIP OPPORTUNITIES

WHO WE ARE

Faces & Voices of Recovery is a nonprofit advocacy organization that focuses on de-stigmatizing addiction and bolstering peer recovery through nonpartisan policy reform, education campaigns, technical assistance, and training.

WHY OUR WORK MATTERS

We are dedicated to advancing peer support services and recovery efforts everywhere. From recovery pop-ups and trainings to Recovery Community Organization (RCO) certifications and peer recovery support services (PRSS) accreditation, we keep ourselves engaged in the progress of recovery.

WHERE YOUR DOLLARS GO

Donations funnel into to the recovery community. Sponsor contributions allow us to host annual recovery events, provide boots-on-the-ground support to underserved communities, and connect people whose lives have been impacted by addiction.

Last year, with the support and generosity of our donors:
